AMEND Senate Bill No. 201*

House Bill No. 424

By deleting in its entirety subsection (j) of Section 55-50-322, as amended and by substituting instead the following:

(j) Persons who present documentation demonstrating that their presence in the United States is authorized by the United States Secretary of Homeland Security shall be allowed to take any written examination for a driver license provided for in this chapter in Korean, Japanese or Spanish, or, within the department's available fiscal resources, any other language in the best interests of the citizens of Tennessee.
